The primary theme of a **Face to Face** Encounter is "Living in Grace". It presents basic Christian theology and Biblical content geared to the spiritual needs of seniors. We will share worship, opportunities for Christian learning as well as fun, food, and fellowship with other Christ-followers while experiencing an abundance of God's love and grace.

I understand that if I am chosen for Team, I accept the commitment and responsibility to attend all the preparation meetings and to be present throughout the entire 4 days Face to Face Encounter. I also agree to work wherever I am needed most and understand the Lay Director will assign me where I can best serve during the encounter.
